Interest in Biomass:		

- The Start-up Producer membership allows farmers with modest current or future biomass acreage to join Ontario Biomass Producers Co-operative Inc. without having to become a shareholder with full market privileges. Start-up Producer members will receive information on current happenings in the industry and get invited to attend the Annual General Meeting and other Ontario Biomass Producers sponsored events. A Start-up Producer member have **access to biomass agronomy advice** and will be given access to the member's only section of the OBPC website.

Payment options:

- Cheque for \$100.00 + HST for a total of \$113.00 payable to the Ontario Biomass Producers Co-operative Inc. (Annual membership)
- Bill me later (Invoice must be paid within 30 days of sign up or membership will be cancelled)
